Aeotec Smart Energy Meter

Aeotec Smart Energy Switch

ALARM MONITORING

Affordable plans starting at \$12.99 per month

Monitor, protect and automate your home like never before. GSS seamlessly connects all the key devices in the home on one platform, making them all easily controlled through a single intuitive app.

Smart Solutions

SMARTER HOME SECURITY

Our platform is engineered to ensure homes stay protected even if the power is out, the phone line is cut, or the panel is smashed.

VIDEO MONITORING

You will never miss a moment with real-time video alerts and peek-in access to live streaming video.

HOME AUTOMATION

Gives control and intelligent automation across all connected devices. Easily Manage thermostats, lights and locks.

ENERGY MANAGEMENT

Keep your home more comfortable and easily monitor usage and save energy.

SENSORS

Sensors are the key to gathering the data needed to successfully automate Smart Homes and Businesses. Compatible sensor types vary by panel, but GSS powered systems can integrate numerous types of sensors, including:

Fire

Smoke

Water

CO

Window

Door

Motion

Glass

Wellness

Wellness offers a secure and cost effective option for independent living with safety, security, and comfort.

Bed Sensor

Stationary
Emergency Button

SMART SECURITY

2GIG System
